Dear Sir/Madam:

This letter is in compliance with House Bill 1416 as an elected official in West Baton Rouge Parish and shall serve as my formal notification to the Louisiana Ethics Commission that I shall seek administrative approval on the above referenced subdivision of my property. I have included copy of said map of the property which should supply all details regarding this transaction. I will be in compliance with regulations regarding subdivision of not more than twelve lots per calendar year and the construction of not more than twelve residential units per year as this transaction is the only subdivision of my property during 2004. This transaction will require no variances, and is in accordance with the Compiled Ordinances of the Parish of West Baton Rouge, Louisiana for division of property, and can therefore be approved administratively.

Thank you for your attention in this matter.
